

Virginia Baptist Music and Worship Arts Camp

Notes and Suggestions for First-Timers

And Reminders for Returning Leaders!

Music and Worship Arts Camp is a powerful opportunity to explore and expand our expressions of worship and to grow closer as a family of faith – joining together to praise God Who created us for relationship!

Music & Worship Arts Camp has been a wonderful experience for thousands of students in Virginia for more than 50 years. Because we want you and your group to have the best experience possible, this letter is designed with tips and reminders for making the week cost effective as well as a pleasant, enriching, enjoyable, and productive one.

Camp Concept

MWAC is actually 3 camps in one. The Delta Track is a leadership track designed for 10th-12th grade students. The Omega Track is designed for 6th-9th grade students, and the Alpha track is designed for 4th-6th grade students. The grade levels for each camp are based on the school grade which has been completed. Directors may choose which camp their 6th graders attend. Because we have churches and localities that group 6th graders differently, there is no mention of grade levels at all by the leadership. The Alpha Track is primarily made of those who have completed Grades 4-5, with a few churches adding their 6th graders to the group. The Omega Track is primarily made of those who have completed Grades 6-9.

Each track is totally separate from the other. The tracks are together for worship, Morning Celebrations, Evening Features, and the Thursday evening/Friday morning final program. A camper may not attend classes in two tracks because the daily schedule for each track is slightly different. Each camper is expected to fully participate in the mass choir and attend their special interest classes every day. The camp is designed as a music and worship arts camp, and those who do not enjoy musical activities should find a camp that is more geared to their interests. The Alpha group has 2 choir periods daily, worship, and 2 different special interest classes. The Omega group also has 2 choir periods daily, worship, and 3 different special interest classes. Please see the information below regarding additional special interest classes and their selection. Churches have found that it is best to have at least one counselor that supervises children in each track. Counselors need to make sure their campers attend classes and at least one counselor from each church is expected to participate with their campers in worship and choir rehearsals.

Background Checks

Regarding all adults and students 18 years of age and older attending Music and Worship Arts Camp: We want to do all that we can do to ensure that we are providing a safe and secure environment for the minors and the intellectually or physically disabled with whom we work and minister to. To help us achieve this goal, we require that each church complete a criminal background check through a reputable company for each adult or student 18 years or older planning to participate in MWAC. Any official background check your church has conducted within the past four years is acceptable. If any background check comes back with a felony or serious driving issue, please contact Eagle Eyrie to confidentially discuss the issue. Any person found to have criminal convictions related to sexual offenses or felonies related to children will not be permitted to attend. Once background checks have been completed for each person, ensuring that all of the requirements have been met, please have a ministerial staff member or church officer complete and sign the certification statement and return to Eagle Eyrie **by July 6.** [Background Check Documents](#)
